WHAT DOES IT MEAN TO BE A LION?

The Janesville Lions are fun, service-oriented individuals who work together to accomplish important things in the community and beyond. We are problem-solvers and support positive change with lion-sized hearts.

Being a Lion goes beyond attending meetings and paying dues. It's about personal fulfillment, making our community a better place, and having a good time. As Lions we are part of a global team of like-minded people, and realize the impact we collectively have when faced with challenges or problems.

From **serving** our blind and visually impaired citizens; to **donating** our time, talent, and treasure to make our local parks and outdoor spaces cleaner and more enjoyable; to **screening** children for vision issues at a young age to ensure they can develop alongside their peers and reach their potential; to **working** tirelessly in the aftermath of natural disasters, both local and faraway. Being a Lion is one of the most rewarding experiences you'll find.

LOCAL SERVICES

Vision Screening • Eyeglass Recycling • Eye Tissue Transport
Blackhawk Pioneers • College Scholarships

ANNUAL FUNDRAISERS

Check out our **Rose & Carnation Sale** in the spring, and mark your calendars for our **Michigan Blueberry Sale** and popular **Chicken Roast** each summer.
